**Subject: Endorsement from ISN Leadership for EKHA document**

Dear Prof. Lameire,

The International Society of Nephrology (ISN) leadership team has reviewed the document entitled *"Recommendations for Sustainable Kidney Care"* prepared by the **European Kidney Health Alliance**.

We are very impressed with the breadth, depth and content of the document, and endorse it fully. It aligns with all of the tenants that the ISN espouses, and is in keeping with our goals and activities in other parts of the world.

Please ensure that our organization is recognized as fully endorsing this document.

Yours sincerely,

Adeera Levin  
ISN President
