# Health = Happiness

Time and health are two precious assets that we don't recognize and appreciate until they have been depleted.

Impossible is just a big word  
thrown around by small men  
who find it easier to live in the world they've been given  
than to explore the power they have to change it.

Impossible is not a fact,  
it's an opinion.

Impossible is not a declaration,  
it's a dare.

Impossible is potential.  
Impossible is temporary.  
Impossible is nothing.
